St Mary's is a vibrant and growing parish church in the Cotswolds, committed to *"Living in God's love, Living out God's love."* We are deeply engaged with our community and work closely with **The Branch Trust**, a charity that grew out of the church's mission to serve the local community.

We have recently launched an exciting new **Parish Nursing Ministry** to reach out to those who are lonely, isolated, and in need of holistic care.

Could you join the staff team to make a lasting difference at this exciting time in the life of the church?

We are looking to recruit someone to work alongside with the Parish Nurse, providing practical and administrative support, enabling existing and new ministries in the church and the community.
