Long Lartin Update

Dear Friends

Just a quick update today, thanks for all your prayers.

Please continue to pray for

- Our new Governor as he brings about a variety of positive developments here. Pray these will get underway smoothly to the benefit of all.
- Staffing – there are some complex demands on staffing here currently so pray we have sufficient staff to offer a full programme of activities
- New recruitment – that new staff would get through training quickly and develop their skills
- For RC Chaplain Tony and his new catechesis group – 7 attendees yesterday
- For Family Time event this week – that our men will have a good time with their visiting children in a more relaxed visiting atmosphere
- For our Wednesday music group – current uncertainty over the tutor/facilitator position
- For Bible study groups – some changes in attendees, pray for a continuing fruitful atmosphere

For individuals

- E, our bible-study man whose mental health has declined sharply. Pray he will get the assessments and treatment he needs to restore him to health
- A, a RC man whose father died yesterday. Pray he'll cope when he's already emotionally fragile. Pray for staff supporting him and our contact with him as chaplains. He accepted prayer today.
- For T, a quiet Welshman whose sister has died from cancer
- For J, a Sikh man who had hoped to attend his mother's funeral but was denied permission
- For D, dying from terminal cancer and his great mate S, struggling to come to terms with this

Security clearances still delayed for a number of potential volunteers, awaiting an internal meeting to try to sort it out

With grateful thanks for all your prayers – they really do make a difference!

Stephen

We value your prayers. Thank you.
